

Your One-Stop Solution for Eco-Friendly Products

At Arbhu Enterprises, we take pride in being a leading manufacturer and exporter of high-quality, eco-friendly items. Our commitment to sustainability and preserving the environment drives us to create innovative products that are both practical and eco-conscious. With a diverse range of offerings, including Areca plates, birchwood cutlery, coconut shell bowls, and more. We provide sustainable alternatives to traditional disposable products. Join us on our mission to make a positive impact on the planet, one eco-friendly product at a time.

Areca Palm Leaf Tableware

Introducing our Areca Plates, the perfect eco-friendly alternative to disposable plastic and paper plates. Crafted from fallen Areca palm leaves, these plates are 100% natural, biodegradable, and compostable. Each plate showcases the unique texture and grain of the Areca palm, adding a touch of natural beauty to your table setting.
